

Letter from San Francisco. [FROM OUR OWN CORRESPONDENT.]

The National Convention. Since the sailing of the Sarah, the Philadelphia National Convention (so called) has met, and after passing an address to the people of the United States, the Convention has adjourned.

Cotton and Cotton Mills. The Saginaw received two boxes of upland cotton grown on your islands. The price asked, 27 cents, is said by the agents of the Oakland cotton mill to be the lowest price ever offered for upland cotton.

Fruits and Nuts. Our fruit harvest this year is a most abundant one, probably larger than any heretofore had. Apples, grapes, peaches, cherries, plums, and figs, almost every kind of fruit have been selling at from two to eight cents a pound.

A Sad Calamity. The people of this city have just been shocked by a calamity whose occurrence may be expected to be a very large one.
